Mr. Bob Rose,
P. O. Box 463,
Harrisburg, Pa.

Dear Mr. Rose:

Your letter asking whether the Kansas City Monarchs was a Member of our League was received. They are not a Member of this League, but of The Negro American League. I am sending a copy of your letter to the President of that Organization, Major R. R. Jackson, 133 East 47th St., Chicago, Ill., asking him to communicate directly with you about the ball.

I want to thank you very much for taking care of the matter of getting an account open with your Firm for me, this should save us a great deal of inconvenience.

About the Sports Editor of Harrisburg Telegraph, I also appreciate your efforts in that direction. I wrote the Palmyra Ball Park sometime ago in answer to their letter, and have not heard from them as yet. From the tone of his letter, they play home every Saturday and this, of course, was the day we were interested in playing. I did expect a further answer however, and suppose I will hear from him when he has given the matter due consideration.

Again accept my thanks for all your efforts.

Very truly yours,
